The Bonita Christian Forum was launched in 2005 by First Presbyterian Church of Bonita Springs to enrich the cultural and spiritual life of the Bonita Springs area. Its intent is to raise the visibility of the Christian message in our community, to provide a gathering place for Christians from various local congregations, to inspire and challenge those who follow Christ, and to present the life-changing work of Christ to people who have not yet met Him.

In the years since its inception, the Bonita Christian Forum has firmly established its place in our community as a venue for some of the most notable voices of our time sharing their Christian testimony. Beginning with former major league pitcher Dave Dravecky, the Forum has welcomed speakers from the worlds of business, sports, medicine, government, science, film and the media.

Kirsten Powers

Kirsten Powers is a columnist for *USA Today* and frequent contributor to Fox News, PBS and *The Wall Street Journal*. She has served as both a journalist and a political staff member for the Democratic party. Kirsten's story of her conversion to Christ through the ministry of Manhattan's Redeemer Presbyterian Church has appeared in *Christianity Today* and other publications. Her best-selling book *The Silencing* exposes the growing intolerance and threats to freedom of speech and religion in many areas of our culture.

“Adversity is preparation for greatness. I will accept the preparation. I accept responsibility for my past. I can control my thoughts and my emotions. I am responsible for my success.” – Andy Andrews | **“Here’s the problem: disagreement is fine, discrimination is not. ‘Diversity’ should include diversity of thought and belief. Instead, an alarming level of intolerance emanates toward people who express views that don’t hew to a liberal worldview.” – Kirsten Powers** | **“Our conscience is not ultimately allegiant to the state, but to something, and for many people, to Someone, higher. This is important, because if our conscience belongs to the state, the state can choose to violate it or compromise it.” – Frank Wolf** | **“I wrote this book for anyone who has ever wondered, like I did, how to reconcile what science and faith have to say about life’s biggest questions. My hope is that in the process you will recognize more of the God who is big enough to encompass them both.” – Leslie Wickman**

BONITA CHRISTIAN FORUM

A Ministry of First Presbyterian Church of Bonita Springs

What happens at a Forum event?

A Forum program lasts approximately one hour, with a 45-minute presentation by the speaker and a brief period of audience Q & A following. Whenever possible we also offer an opportunity for the speaker to personally greet the public.

Where is the Forum held?

A ministry of First Presbyterian Church, Bonita Christian Forum events are held in the First Church Sanctuary, where seating is available on the main floor and in the mezzanine (balcony). All events are open seating; certain sections of the main floor are reserved for our Level 2, 3 and 4 sponsors. Additional seating is available in our CenterPoint room (where the event is viewed via live audio/video feed).

Is handicapped seating available?

The Sanctuary main floor has designated areas reserved for guests in wheelchairs and a companion. Once those areas are full, handicapped guests will be accommodated at the back of the Sanctuary or in CenterPoint. We recommend an early arrival for Sanctuary seating. Safety concerns do not allow for handicapped seating in the Sanctuary mezzanine.

Are tickets required?

Yes! Tickets are free but limited in number to ensure we do not exceed seating capacity.

How do I get tickets?

Friends of the Forum receive tickets in advance based on their level of sponsorship; remaining tickets are distributed to the public free of charge one week before each event.

When should I arrive?

Doors open at 6:15 PM; arrive early for the best choice of seats. All events begin at 7:00 PM.

Guests are welcome to browse our BookCenter or visit with our friends from Moody Radio before and after the program.
